## READ WHAT THEY SAY ABOUT DOM'S MUSIC :

"A highly creative production, vaguely reminiscent of Pink Floyd or at moments, King Crimson at their best. Dom's melodic instincts yield songs that are both pleasing and harmonically sophisticated."

Craig Bickhardt

(Singer/songwriter, recipient of nine ASCAP Popular Song Awards, including three #1 hits... - [www.craigbickhardt.com](http://www.craigbickhardt.com))

"Punchy, gutsy rock music with big catchy hooks that won't turn you loose! "The Preacher" rolls forward with the power of a freight train, a driving rock beat with a touch of 60's psychedelic guitar. "Dance With Her Daddy" is a bluesy, atmospheric piece that seduces the listener, pulling you into the singer's world. Nice work!"

Robin Frederick

(Singer/songwriter, wrote over 500 songs for TV and record albums, songwriting teacher in LA - [www.robinfrederick.com](http://www.robinfrederick.com))

"The songs are cool. The production is cool. What else can you say except Dom is COOL!"

Danny Arena

(Tony Award nominated songwriter whose? credits include original songs for Urban Cowboy, The Musical, SongU.com Chief Executive Officer and Director in Nashville ... - [www.songu.com](http://www.songu.com))

"Dom's observations of life are woven into his music with insightful lyrics and passionate melodies."

Gracie Vandiver
